

Bruce McLaren Intermediate School

Contactless pickups of hard packs (Home Learning Packs) in Alert Level 3

Student work for students without a Home Learning Device

Parents and caregivers are able to pick up hardpacks (Home Learning Packs) from BMIS from Wednesday 1:30 – 2:30pm; Thursday 9:00 – 10:00am; Friday 9:00 – 10:00am.

This must be a contactless system.

Please focus your arrival for the Home Learning Pack on:

- avoiding large gatherings of parents and caregivers (eg, stagger your collection of the hardpack by staying in your car until there are no others around)
- collecting the Home Learning Pack from outside the front office – 1 pack per BMIS student
- anyone who is unwell must stay at home and seek advice on getting tested
- the school advising students and whānau receiving these packages to wash their hands after opening them.

Bruce McLaren Intermediate School is implementing the MOE & MOH COVID-19 Alert Level 3 guidelines. Your support is appreciated.
