|--|---|--|--|
| Strategic Goals                            | <b>Goal 1</b><br>Develop a strong, pedagogical teaching team  | Goal 2<br>Student learning to foster critical thinking   | <b>Goal 3</b><br>Transform the school's environment  |
| Strategic<br>Initiatives                   | Initiative 1<br>Effective Practice  | Initiative 1<br>Accelerating achievement   | Initiative 1<br>Develop the physical environmen  |
|  | Initiative 2<br>Building a flexible team  | Initiative 2<br>Integration of digital technologies  | Initiative 2<br>Social environment   |
|  | Initiative 3<br>EQ - expectations of teachers   | Initiative 3<br>Review of assessment processes   | Initiative 3<br>Emotional environment  |
| Demonstrated<br>by<br>2024                 | Teaching is collaborative   | Improved outcomes for priority learners  | Reimagined and enhanced the school   |
|  | Increased teacher capability  | Achieving educational success, with pride in student<br>identity, language and culture particularly Maori and<br>Pasifika students   | Active participation is crucial and evident by s students and community  |
|  | Staff hauora and emotional capability rigorous  | Embed a sustained school wide assessment system that caters for teacher and students needs with emphasis on  | A place where everyone has a voice   |
|  | Teaching is student focused on accelerating student<br>learning especially targeted and Maori and Pasifika<br>students  | Maori and Pasifika students<br>Strengthened home/school partnerships by engaging the<br>wider community ie hui, fono,  | Learning is cultivated in a nurturing, safe and<br>upgraded environment for physical and social we   |
|  | Teaching is fuelled by continuous teacher passion and professional learning   | Strengthening a positive cyber community – students, staf<br>and whanau being digital citizens using sch platforms   | Maintain a safe and healthy school environme<br>enhances students' active learning engage<br>through the creation of spaces for targeted<br>accelerated learning |
| Measures<br>of Success                     | All teachers' practice demonstrates the changes to teaching<br>and learning incorporating the NZC and BMIS coaching<br>framework                                  | 25%+ of students below BMIS expectation move to meeting<br>(aligned specifically to teacher actions)   | Hall floor is renewed, new playground in sit<br>classrooms functioning. Ongoing painting.  |
|  | Teachers As Inquirers and reflective practitioners,<br>collaborate providing evidence of future focused pedagogy<br>shared beyond the school and Kahui Ako        | Students, teachers, parents/whanau observe explicit<br>teaching of Key Competencies, Te Tataiako, Ka Hikitia,<br>Tapasa with implicit (identifiable) actions of students   | Development of teaching spaces to support learnin<br>and student achievement   |
| This is what<br>2024 looks like<br>at BMIS | <b>Goal 1</b><br>A competent, culturally responsive 'leadership of learn-<br>ing' team, immersed in a high trust environment, where<br>everyone's voice is valued | <b>Goal 2</b><br>Metacognition/student agency are evident in 80%+ of<br>task design (digital/non-digital) with the use of co-con-<br>struction, student inquiry & student rubrics within each<br>class/whanau and are regularly viewed through parent<br>portals | <b>Goal 3</b><br>Infrastructure for growth, innovation and wel<br>is evident in the physical, social and emotic<br>environments created for students and sta     |
| un a                                       | To be 'cutting edge'. it  | is no longer enough to make  | e one or two changes.  |

o be 'cutting edge', it is no longer enough to make one or two chang you must challenge, change, test and improved everything.
