Principal Update: 14 September 2020

Kia ora koutou katoa

Welcome to Te Wiki o te Reo Maori.

The Prime Minister has just announced that Auckland will continue to be in COVID-19 Alert Level 2.5 until a review takes place on Monday, 21st September.

This means at BMIS we continue to be agile, follow MOH and MOE guidelines as well as have students sanitise their hands as they enter school, as they enter all learning areas and when they leave school. Masks are required when students are in the public arena, outside of school. and are able to be worn at school, should they wish.

Thank you to our BMIS whanau for not entering the school grounds in Alert Level 2.5. If you need to come into school, come directly to the school office where you will have to sign in and scan the QR Code.

The safety of our students and staff, as well as our BMIS community is paramount.

As we get any new information, we will forward this on to you.

Thank you for your support.

Noho ora mai.

Nga mihi
