

Kia ora koutou katoa

It is September - the wettest month of the year. Please make sure that your child/ren has a raincoat to wear to and from school. However, Daylight Savings is just around the corner which will capitalize on our sunshine hours - starting Sunday, 25th September.

It is also Tongan Language Week - with many learnings taking place at BMIS.

Please be reminded that BMIS has a Staff Only Day on Friday, 9th September - school is closed to students.

Next week, on Tuesday 13th September, Year 7 Camp heads off to Karapiro and Year 8 Offsite Experience commences. This is very exciting as we have not been able to undertake these activities for almost 3 years. Please make sure that your child knows what they are up to, where they are going and what the expectations are. Information has been available since March for these events. Thank you to everyone for your payments, there are only a few left to complete the payment process. Thank you in advance to all the wonderful parents and whanau who are supporting these activities, attending to supervise, (having the home baking ready for the Year 7 Camp) and making sure every child is ready for the week ahead. EXCITING!

Year 8 students should now be enrolled at a High School for 2023. Year 6 students should now be enrolled at an intermediate school for 2023.

Should you have any questions regarding your child's Personal Best Learning Profile (located on SeeSaw) or about Year 7 Camp or Year 8 OE please contact your child's teacher.

Stay warm, dry and well.

Ngā mihi
