

Kia ora koutou katoa

BMIS is up and racing! Our start has been brilliant and bodes positively for 2023.

It is fantastic to see our students in full school uniform, meeting new people and immersing themselves into their learning journeys already.

Should you need an update on the required school uniform, school information or how we do things at BMIS you can find this on our website and in our prospectus. A school hat is a compulsory item in Term 1 and Term 4. BMIS provides sunblock and sanitizer to all on site.

PitStop is open. PitStop provides a 'top up' of food fuel to our students at 1st break and lunchtime. All that is expected in return is a smile and manners from our students.

If you have any queries about your child's learning, the classroom teacher is always the first point of contact. An email is the best way to touch base, as our teachers are often out on duty or coaching teams at break times.

Our **MEET MY TEACHER/S** evening is on **Thursday, 16th February from 6-7pm** commencing in the hall.

We encourage our parents/whānau to attend to get to know our teachers & staff and join us for a BBQ sausage or two.

Looking forward to seeing you soon.

May the sun continue to shine on us.

Ngā mihi
