FROM THE PRINCIPAL'S DESK

Kia ora koutou katoa,

A vibrant school has an intellectual and expressive environment where the creativity of students, teachers, leaders, and parents is fostered and can flourish. Unresolved issues sap the school's energy. Rehashing old histories tends to bring everyone down. The staff at BMIS are interrupting these negative patterns by making time and space for listening. Listening generates understanding and reflection. It energizes and bonds teachers to one another, their students and our community in an affirming way by reducing feelings of isolation and interrupting deficit thinking that perpetuates downward cycles of blame and shame. We are here for your child/ren, each other and our community. We are Bruce McLaren Intermediate School; a vibrant school – and proud, where manaakitanga and whanaungatanga are evident

The behaviour of students affects schools as learning environments. Positive behaviour management practices are simple, transparent and effective at BMIS. We are guided by our school vision: DREAM BELIEVE ACHIEVE, the 5Cs and 3 fingers (please ask your child about these). A copy of the school behaviour management practices can be collected from our Admin Foyer.

Thank you to the many parents and whanau who turned out to meet with our teachers to discuss the Effort Report that went home on Friday 16th March. Effort is crucial to ensure success. If you have not met with your child's teacher, please ring to make a time to do so. Our partnership is imperative for your child, our student, to excel.

This week is the start of Mr Arun Ganda's first week as Room 4 teacher and BMIS Assistant Principal. We know that he will learn much from us as we will from him.

With Easter looming, it is important to note that school is closed on Friday, Monday and Tuesday of next week. **NO SCHOOL – Friday, 30 March,**

Monday, 2nd April and Tuesday, 3rd April.

The BMIS WZ Swimming Squad has made a splash this week at the WZ Swimming tournament. We congratulate them on their performance.

Financial Literacy is significant part of living. This week all students have participated in a comprehensive Financial Literacy programme looking at budgeting, balancing the books and costing out living expenses, gaining an appreciation and awareness of how difficult money is to come by and how easy it is to spend!

I am a firm believer in CULTURE IS THE HEART OF LEARNING. This is the overarching factor or umbrella to all learning. A happy student in a healthy and safe environment will thrive, achieve and be positive about self, their learning and their relationships.

Should you have any thoughts, wonderings, ideas of or about Bruce McLaren Intermediate School, don't hesitate to contact us on: (09) 836 3175.

May our students, whanau and community have a safe and enjoyable time over the Easter break.

Nga mihi

Principal
