Kia ora koutou katoa

We are racing to the end of the term and school year. Week 5 means we are over half way there!

Keeping you up to date weekly for this term is important and I hope this *Community Update* is helpful.

Village Collective programmes and workshops are underway and proving to be a great success with our ākonga.

Year 8's who are confirmed as enrolled at Henderson High School attended an Orientation Day on Monday, where they were shown around the grounds and met staff and students.

All BMIS Year 8 students MUST be enrolled in a secondary school for 2024..

Students in Year 6 are now to be enrolled in an intermediate school for 2024. BMIS is looking forward to receiving any outstanding enrolments ASAP so that your child can be placed in the best taylored learning setting to commence their intermediate schooling journey.

Fiafia is fast approaching – Thursday evening. This event is SOLD OUT. Performers are looking forward to the evening as are the staff and parents/whānau. It is important that ticket holders stay for the entire event, showing support for all ākonga. *No food or drink is consumed in the hall.* Food trucks are on site from 4pm for your convenience.
