

Bruce McLaren Intermediate School

Principal's Update: 15 February 2021

Alert Level 3 – Week 3, Term 1, 2021 Alert Level Learning

Please be patient as we get underway. The school has only had our students for two short weeks and half of our school cohort is new!

Making connections with family and whānau and your tamariki; being in touch virtually, and making sure our students are OK is of the utmost importance to us at BMIS, especially over the next 72 hours. Teachers will be touching base with you as soon as they can.

ONLINE LEARNING:

Year 8 Students: have BMIS email access.

Year 7 Students: email access is being processed and will be with students when completed.

Sites available to students to begin home learning:

As parents/whanau and as the first teachers of your child, you know of a raft of activities your child can be doing in a COVID Lockdown, e.g., reading, enhancing life skills – doing chores, writing plays/stories/poetry, creating games with siblings, playing board games, drawing, baking, creating dances, writing music/songs...

Teachers will be in contact.

Stay safe, stay well and stay at home – if possible.
